There are many sanders cheaper than Silver-Line, but none less expensive to own!

THE SILVER-LINE FAMILY OF FLOOR CARE EQUIPMENT

THE SILVER-LINE SL8 DRUM SANDER
8" Drum Sander with Dual Capacitor 1.5HP Baldor motor. Standard red rubber with cam action paper installation.

THE SILVER-LINE SL8V2 SANDER
8" Drum Sander with Dual Capacitor 1.5HP Baldor motor. Hook & Loop Drum for paper installation without any tools!

THE SL8 DRUMS
The regular red rubber drum has been the industry standard since 1958. The Hook & Loop drum has been an alternative for the rental industry since 2005.

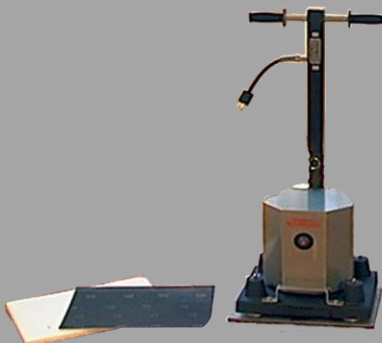

THE SL7 EDGER
7" 1.5HP 3600 RPM Disc Speed, two brushes, Heavy Duty Aluminum construction for long life in rental! (also available in 220v)

THE SL7D2 EDGER
7" 1.5HP 3600 RPM Disc Speed, two brushes, Dust deflector, glide bar and brush work together for excellent dust pick up!

THE PRO8 5HP FLOOR SANDER
5Hp, 220 volt floor sander with 8" spring loaded drum. Motor mounts in the depressed chassis for great site lines. Motor dismounts easily for transportation!

THE SL1218 ORBITAL REFINISHER
12" x 18" Orbital machine, 1Hp motor and larger flywheel work together to make the most aggressive unit in its class. The SL1218 is great for screen & re-coat jobs and exterior decks! Can also be used on other hard floor surfaces!

THE SL1218OVS
1.5hp motor runs the flywheel and vacuum system keeping dust from becoming airborne. Large flywheel allows for aggressive orbital action!

THE U2D
.5hp motor runs 5" Hook & Loop or PSA paper. 10" nose gets into the hard to reach areas! Ready to be attached to a shop vac for dust containment. 12' Cord with inline switch, glide bar for smooth operation.

972M

17" 1.5hp 175RPM rotary polisher, triple planetary gearbox with coupler. All aluminum constructions, non-marking bumper. Wheels kick out for transportation, 50' cord. The right choice when cost is the driving factor!

ESLC17

17" 1.5hp 175RPM rotary polisher, triple planetary gearbox with coupler. All aluminum constructions, non-marking bumper, wheels and 50' cord.

ESLC17DC

Same specifications as the ESLC17 but with Dust Containment Kit. The kit includes a deflector attached to the apron, floating dust ring, vacuum hose with 2 cuffs and hardware, port and nut for apron.

ESL17

17" 1.5hp 175RPM rotary polisher, triple planetary gearbox with coupler. Stainless steel apron for long life! Non-marking bumper, 50' cord, 5" non-marking wheels.

SILVER-STAR 401 & 411

3 Gallon self-contained carpet cleaner has lift-off bucket with bladder, self-adjusting chevron brush, 12" cleaning path. 50PSI pump, 107" water lift, 7" wheels.

The 411 can switch from carpet to hard surface mode with the one flip of a lever!

GALAXY 500BX

5 Gallon Solution tank, 100psi, 136" water lift, and 3-stage vac motor combine to make this a lightweight and portable power house. Great for detailing and where a small yet powerful machine is required.

SAN SPOT-EXTRACT

3 Gallon extractor for smaller jobs, ideal for Detailing, Upholstery Cleaning and small jobs. 55 PSI pump, 76" water lift from 2 stage vacuum.

357AC UPHOLSTERY TOOL

Attach the 357AC to our 401 or 411 and clean upholstery. Black powder coat over aluminum, 8' hose assembly and mesh carry bag.

BRUSHES FOR THE RENTAL INDUSTRY

Essex supplies a complete line of rotary brushes including pad drivers, natural bristle brushes, sandpaper drive pads, etc. Whatever you require, we have a brush to fill your needs.
